👤 About Me

Hello! I'm Haider, a passionate computer science student with a keen interest in web development. Welcome to my corner of the web where I share my projects, ideas, and insights into the ever-evolving world of technology.

🧩 Skills

- Management Skills
- Development
- Negotiation
- Critical Thinking
- Leadership
- Devotee

🎓 Education

Bachelor of Computer Science
NUML University — 2022-currently

A Computer Science major from NUML (National University of Modern Languages) who not only builds a strong foundation in programming, algorithms, and data structures but also develops problem-solving skills tailored to real-world applications.

Intermediate
KIPS college — 2019 - 2021

💼 Experience

Data Annotator
DataVision Ltd. — May-Sept 2024

A skilled professional with experience in data annotation on Darwin V7 and web development, bringing precision and efficiency to AI-driven projects. At DataVision, I have worked extensively with Darwin V7, ensuring high-quality labeled dataset.

Website Development — 2022-2024

a web developer with proficiency in HTML, CSS, JavaScript, React, and backend technologies. I specialize in building responsive, user-friendly applications with optimized performance and seamless UI/UX.
